SECOND QUARTER 2025 REPORT FROM THE PASTOR

Dear Faith Church Family,

Grace and peace to you in the name of our Lord Jesus Christ! We've been busy at Faith planning a full year of meaningful worship, ministry, and connection—and we can't wait to share it with you. From opportunities to grow in faith to times of fellowship and service, there's something ahead for everyone.

As we move into hurricane season, we're also preparing to care for our community in practical ways. Our campus will be available to the Disaster Recovery ministry of the Florida Conference of the UMC and Red Cross, should they need space to serve. In early September, we'll be packing flood buckets to provide essential supplies for those impacted by storms. These buckets will be available to anyone in need. We'll share more details as we get closer.

Through it all, our vision stays the same: *Love God. Love people.* And our mission continues to guide us: *To continue the mission of Jesus by loving, worshipping, and serving.*

Thank you for being part of this journey. Your prayers, presence, and generosity are a gift to this church and to the world around us.

In Christ,

Pastor Dennis

SECOND QUARTER 2025 REPORT CHURCH FINANCE

- **Financially Speaking**, we are doing better than last year, primarily because of parking lot rental income and our final COVID IRS relief payment that was received in June.
- Summer is always a low period for contributions. So, we are watching our expenses very closely.
- This year, for the first time in many years, we are on track to pay 100% of our apportionments to the Annual Conference!

THANK YOU
for your generosity

- However, we have had a series of unbudgeted air conditioner problems, including two units in the children's wing. Any above and beyond contribution is appreciated!

*We encourage you to remember Faith Church in your will and estate planning.
You can have a lasting impact!*
