In total, it takes \$925,587 for ministry to flourish at Faith UMC in 2025. This is an increase over last year's gifts. To those blessed with abundance, we invite you to consider increasing your gifts by 10%. For every \$100, add \$10 – the cost of a dessert or two after a dinner out. Your pledges and gifts make ministry a reality, allowing us to fulfill our mission: to continue the Mission of Jesus by Loving, Worshiping, and Serving.
