

Children's Ministry

A United Methodist Congregation

Fall 2021

Summer Camp Update

We completed our Summer Camp Children's Ministry Program the first week of August. It was a summer like no other having a reduced number of students due to the CDC Guidelines for Summer Camps.. We were able to provide our campers with a good and fun summer, but we sure missed having our normal 40 to 50 campers and all the energy they bring to the program.

Thank you for your support, because we had a reduced number of students this summer we are well on our way to funding Summer Camp 2022. It is our prayer that in 2022 we will be able to re-launch our Summer Camp Program safely resuming our full programming. Please pray with us that by then the pandemic is under control, and the kids can be kids again.

Sunday Morning Children's Bags

Every Sunday morning in our front lobby you will find a table with Children's Busy Bags, and a special Family Activity Bag. Please help yourself to one each for your children.

The Busy Bag will have Christian Education materials, something fun, and assorted other things for your child to busy themselves with during Worship that are related to the Message.

The Family Activity Bag will have something in it that is for your family to take home, and spend time together doing during the week that has a life application message based on the service and a discussion prompter so you as a family may have some special time with Jesus together.

In September we will be starting a new Sermon Series on The Fruits of The Spirit. Look for wonderful lessons and fun stuff for your family to do each week that will reinforce the "fruit of the week".

FALL FESTIVAL MTG

9/12/21 , NOON in the FLC.

Come join our team as we discuss how we can safely make a night of seasonal fun for the children and our community. Hop on board and let's come up with a plan that is safe for all. Email Kathy at kfrumoff@faithum.com

First Do No Harm

Out of an abundance of caution for our children and our volunteers health, **we are temporarily pausing our Wednesday Night Kid's Club** as the Delta Virus is surging in our community. We will let you know as soon as our county positivity rates drop to a safer level. Thank you for your understanding.
